Re: AT&T Services, Inc.
Case 07-CA-228413

Dear Mr. Sferra:

This acknowledges the receipt in this office of the Respondent's Motion to File Sur-Reply to CWA's Reply to Opposition to CWA's Motion to Intervene and Motion to Remand and Reopen the Record, dated September 4, 2020.

It is the Board's policy to allow each party an opportunity to file a response, i.e., the Respondent was permitted to file an opposition to Union's Motion to Intervene and Motion to Remand and Reopen the Record, and the Union was allowed to file a reply in opposition. In the interest of administrative finality, however, surreply briefs or additional responses are generally not permitted. See *D.L. Baker, Inc.*, 330 NLRB 521 (2000), fn. 4. Accordingly, your surreply is not being forwarded to the Board, and is being rejected. Thus, your motion is denied.
